

LEONIA COMMUNITY CALENDAR 2022-2023

LEONIA, AN ARTS DESTINATION

CREATIVITY CONTINUES TO FLOURISH IN THIS SMALL TOWN, HOME TO A HOST OF VISUAL AND PERFORMING ARTISTS, WRITERS, ARTISANS, AND DESIGNERS.

Leonia Arts strives to honor Leonia's rich artistic heritage and ensure its artistic future by supporting the community of artists today.

Visit leoniaarts.com to learn more about Leonia Arts, a non-profit community-based organization founded in 2005 to support Leonia's artists and arts organizations by promoting events, encouraging collaborations, and connecting with art enthusiasts.

Right: In 1919 a resident acting company began performing classic and original plays; the **Player's Guild of Leonia** is New Jersey's oldest continuing community theater group.

Below: In 2000 a team of theater lovers within the community founded **Summer Stage at Leonia**. They offer musical productions each summer.

The **Leonia Public Library** is an artistic hub for children and adults in the community, presenting book readings, poetry slams, open mic nights, art classes and exhibitions. Art is a vital part of life in Leonia.

From the late 1800s through the mid-1900s, the small town of Leonia, New Jersey, was a noted art colony - home to more than 90 professional artists, including Lynd Ward, Grant Reynard, Harvey Dunn, Charles Chapman, Howard McCormick, Clara Elsen Peck, John Rutherford Boyd, Harriet Boyd, Harry Eaton, and Peter Newell. Barns and lofts were converted into studio space throughout the town. Creativity flourished in this community of photographers, writers, actors, illustrators and painters.

Leonia has been home to notable performing artists, including Pat Boone, Sammy Davis, Jr., Buddy Hackett, Alan Alda, and Al B. Sure. Performing artists continue to call Leonia home while working on Broadway stages and theatrical, film and television productions. Many professional musicians live in Leonia and perform with orchestras in New York City, as well as teach and perform throughout the metro area and the state of New Jersey.

Officially organized in 2009, **The Leonia Chamber Musicians** began in 1973 when a small group of professional musicians who lived in Leonia joined to give chamber music concerts in their home town.

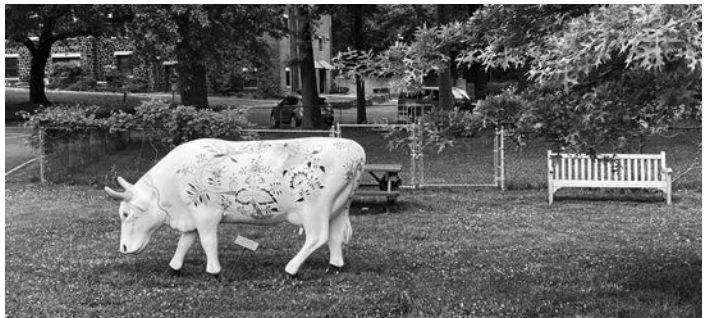

In 2006, **Sculpture For Leonia** began bringing public art to the townscape by installing rotating sculpture exhibits outdoors.

Above: Through the generosity of Sue Boyd and Bill Ziegler, art work by Harriet and David Boyd was displayed for sale in the renovated Boyd Studio to benefit the Erika and David Boyd Sculpture Garden. David Boyd was the son of Harriet and John Rutherford Boyd, both of whom were artists. An accomplished illustrator, painter, and sculptor, he began as an apprentice to his father who was the art editor of the *Ladies' Home Journal*, and also to the artist Charles Chapman. Harriet taught children in her home studio while also creating art. Take a stroll anywhere in Leonia and you're likely to encounter a sculpture or two. These are just a sampling of a few along Broad Avenue. *Photos below: Aviva Djiji-Levy.*

LEONIA SCHOOL SERVICES

SPECIAL SERVICES

A full-time Supervisor of Special Services oversees the district’s Special Education programs. Education and related services are provided by professional staff members: teachers, school psychologists, school social workers, learning consultants, speech language pathologists, occupational and physical therapists. The Child Study Team evaluates students based on presenting needs. An Individual Education Program (I.E.P.) is developed, implemented and monitored for students found eligible for services. Special instruction is provided for students with learning, emotional, developmental and/or physical disabilities. Resource Centers in each school provide replacement instruction and/or assistance with academic subjects and the development of organization and study skills. Self-contained classrooms at all three schools provide individualized instruction for students with learning and multiple disabilities.

ENRICHMENT PROGRAMS

Our district offers enrichment services at each grade level for students who possess or demonstrate high levels of ability, in one or more content areas, when compared to their chronological peers in the district. At ACS, our Kindergarten through Grade 2 students have a Math Enrichment period for students to engage in problem-based math problems designed to extend their thinking as they analyze and apply various mathematical concepts. Our students in Grades 3-4 participate in a Global Citizens unit that provides students with the opportunities to develop their interdisciplinary problem-solving abilities. Students in grades 6-8 are identified and enrolled in portfolio classes in Language Arts, Mathematics, Science, and Social Studies.

At the high school, students are identified and enrolled in Advanced Placement and Honors courses in a number of subjects. High school students can also participate in Dual Enrollment classes to receive college credits, while completing their high school requirements.

ENGLISH LANGUAGE LEARNERS

Leonia is a diverse community with over 40 languages spoken in our homes. The ESL program serves students who are limited in their ability to speak English. ESL courses are available at each grade level and help our English Learners develop and improve oral communication, reading, and writing skills in English.

HIGH SCHOOL ACADEMY PROGRAM

LHA hosts seven academies, the Leonia Academy of STEM with six concentrations (LAS); the Leonia Academy for Hospitality and

Culinary Arts (LAHCA); the Marketing and Business Leadership Academy (MBLA) with two specific majors: Economics/Finance and Marketing; the Leonia Humanities Academy (LHA) with two schools, the School for Literature and Language and the School of Social Sciences; The Leonia Music Conservatory (LMAC-Music),; the Leonia Fine Arts Conservatory (LMAC- Fine Arts) and our newest academy, the AVT- the Academy for Vocational and Trade. For more information please go to leoniaschools.org and then to the high school home page.

STUDENT SERVICES

A guidance staff that includes one counselor in the Elementary School, three at the Middle School and four at the High School supports the academic program. At ACS, the school counselor provides advice, support, and help in educational and personal development for the students at ACS. This is accomplished by meeting students in both the group setting and individual meetings where topics such as peer pressure, tolerance and study skills are discussed.

The school counselor is also available as a resource to parents who may have questions or concerns about their child. At the middle school, counselors provide counseling services, both individual and group, monitor student achievement, maintain open lines of communication between parents and staff and oversee standardized testing. At the high school, the school counselors provide career and college counseling, as well as support services for youths at risk.

I&RS COMMITTEE

The Intervention & Referral Services (I&RS) Committee is made up of school administrators, teachers, counselors, child study team members, and parents. The I&RS committee meets to discuss strategies and resources for faculty and parents to employ within the general education curriculum to better support the individual student’s needs.

FOOD SERVICES

All three schools have a cafeteria and provide low cost, nutritionally balanced hot and cold breakfast and lunch service daily. Free or reduced price breakfast and lunch are available to students who qualify under state and federal programs.

Applications are available electronically on the district website: <https://www.leoniaschools.org/apps/pages/lunchapplication>.

HEALTH SERVICES

School nurses in each school conduct screenings for vision, hearing and scoliosis (curvature of the spine); maintain health records; record height and weight and blood pressure; administer medications (if a note from the doctor has been provided); and provide emergency care. The school nurse may also make referrals regarding possible emotional or physical difficulties. If a child becomes ill during school, he/she will be sent to the nurse’s office. If, in the opinion of the school nurse, the child is unable to remain in school, a parent will be contacted and asked to pick up his/her child to take him/her home. A complete physical is required for children in kindergarten, fourth, seventh and tenth grades.

AFTER SCHOOL CHILD CARE

Leonia School Age Child Care (SACC), an organization run by an independent board, provides child care services for students in grades Pre-K to 6 at Anna C. Scott School. Students can be dropped off as early as 7:00am and picked up no later than 6:00pm. SACC can be reached at (201) 944-6715.

Physical examinations are required by the Board of Education before kindergarten, 4th, 7th, and 10th grades. Students participating in sports need an annual physical along with state-mandated age-appropriate vaccinations.

EMERGENCY CLOSINGS

If school is cancelled due to inclement weather you will see a Remind text and phone message. In addition, the posting of the emergency closing will be on the district's website leoniaschools.org.

CROSSING GUARDS

Crossing guards help children safely cross the streets at key intersections. Please encourage your child to cross only where there are guards on duty.

SCHOOL BOARD MEETINGS

The Leonia Board of Education holds public meetings on a regular basis. The meetings will be held at either the Anna C. Scott Elementary School or Leonia High School. Please check the district calendar for the specific meeting dates.
